

Press Release

New Management at ACAL BFi Nordic AB

Lars Gundersen has been appointed Nordic President of Acal Plc. He is currently a member of the board of directors in ACAL BFi Nordic AB, a specialist provider of technology products and services.

Stefan Löf has been appointed Managing Director of ACAL BFi Nordic. He will remain Managing Director of Hectronic AB, a position that he has held for four years. Hectronic is supplier of embedded computer boards and systems.

"Stefan Löf has the solid industrial background and leadership skills required to position ACAL BFi as a specialist company and partner within a range of technology areas in the Nordic Countries," says Lars Gundersen.

Acal Plc acquired 100 percent of Hectronic AB in June 1, 2011 and Hectronic is now a subsidiary to ACAL BFi Nordic. ACAL BFi Nordic headquarters are located in Stockholm and additional office locations are Uppsala, Gothenburg, Oslo, Copenhagen and Helsinki. The company has 63 employees including the staff of the Hectronic subsidiary.
